About Me

I am a hard-working undergraduate with a keen interest in the IT field and pursuing a career after graduation. Throughout A-Levels, College, University, and part-time work I have developed and improved upon my communication, teamworking and IT skills giving me the confidence to succeed. In 2018 I won the Achiever of the Year Award from Coleg Menai Llangefni and I am currently on track for a 1st in my BSc of Computer Science.

Education

University
