## Profile

I am an enthusiastic, hard worker, with an interest in everything IT, I'm an outdoorsy person my hobbies include, mountaineering/climbing, mountain biking, surfing, photography and technology. I am very outgoing and will never shy away from a challenge. I am a fast learner, I am always eager to expand my knowledge. I have good interpersonal skills and I am able to work well within a team or be trusted to complete tasks effectively on my own.

## Experience

2016 -2020

### **Springtide Associates Ltd**

During the summers and times off education I worked for Springtide Digital which is online marketing company. Here I worked as an assistant developer helping to create and design websites for their clients which are spread across the UK.

- Web design
- Updated and redesigned websites
- Provided some technology support to clients
- Photography
- Photo editing

2018-2020

### **The Swettenham Arms Bistro Pub**

I was a chef at the Swettenham Arms, it was my role to prepare the kitchen for service, provide high quality food in a timely manner as well as closing the kitchen once the service had ended. This was a very fast paced and high pressure environment to work in. However this taught me key skills like time management and being able to quickly adapt and problem solve under pressure.

My duties included:

- Preparing meals for service.
- Ensuring stock levels were proficient and ordering for the days ahead.
- Large catering events such as weddings and parties.
- Cleaning and shutting down the kitchen after service.

2016 – 2018

**Astbury Meadow Centre – Topiary Coffee Shop**

My Role at Topiary Coffee Shop was to wait on tables, make coffee for customers and work in the kitchen. This was I role I could put my fondness for cooking into practise. how to conduct myself in a professional and polite manner later helped my progression into a larger and more professional kitchen.

My duties included:

- Waiting tables
- Taking orders
- Assisted chef with prep and meals
- Washing up

2013 – 2015

**Car Valeting**

- Cleaning cars – preparing for customers
- Forecourt car presentation

Volunteering

2013 – 2015

**New Life Church**

**Voluntary Catering Roles**

- Waiter for staff Christmas party
- Helped to prepare dishes at the Christmas party
- Washing and tidying up
- Produced Christmas Cake for a charity event

2016 – 2018

**New life church**

**Youth work**

I was a young youth leader at my local church I demonstrated the ability to communicate well with people and organised music events attracting in upwards of 200 people

- Organised music events
- Public speaking
- Coach others
- Actively listened and helped improve people's well being

Education

2018-2021

**Bangor University**

(BSc) Computer Information Systems

Expected grade- 2-1

Areas covered

- Computer Security and networking

- Apps and Artificial and intelligences
- Operating Systems & networking
- System administrations & Maintenance
- Databases

2016-2018

### **South Cheshire College**

BTEC level 3 Extended Diploma In Information Technology

Achieved Grade- Distinction, Distinction, Merit

Areas covered

- Software Design and Development
- Spreadsheet Modelling

- Computer Systems and Communication Technologies

2011-2016

### **Congleton High School**

9 GCSEs A\*- C Including English and Maths

Projects

Present-

#### **Life saving device IOT (man overboard Device) – Dissertation**

I am in the process of creating a device using the Internet of things that will alert a ship's captain or the local coastguard if a sailor enters the water and the device is activated using's combination hardware and software devices which will activate when the sailor hits the water. I am planning to create application that will work in line with the device

Future-

#### **Epilepsy Monitor -**

I am planning on creating an application that uses the data collected from sensors in a smart watch that can help predict and avoid certain seizures that result from sleep deprivation, this will be done by collecting data from the patients daily activity and sleep data and possible alcohol consumption.
