EMPLOYMENT HISTORY

- | | | |
|---------------------|---|-------------|
| May 2018 — Jun 2019 | Park Ranger, Greenwood Forest Park | Y Felinheli |
| | <p>My principal responsibility was ensuring that guests had a safe and enjoyable experience at the park. This was achieved through working as a team, using clear communication skills to provide a friendly customer service and ensuring all attractions were safe and operating correctly.</p> | |
| Jul 2017 — Feb 2018 | Adventure Terminal Team, Zip World | Bethesda |
| | <p>As well as serving guests in the Bwyty Blondin restaurant and bar, I also enhanced guests' experience through having an in-depth product knowledge of the products and services that Zip World offered. Being part of the 2017 launch team involved attending a two-week training course which covered all aspects of health, safety and customer service. I was also part of the internal launch event which saw over 300 attendees.</p> | |
| Jun 2019 — Jul 2019 | Learning Technologist, Bangor University | Bangor |
| | <p>For my one-month internship I worked with the University to improve the digital learning experience for students who have visual and/or hearing disabilities and to comply with the Digital Accessibility Regulations introduced in September 2020. During the internship I gained experience working on several projects collaboratively to meet weekly deadlines, organisational and communication skills developed from communicating and holding meetings across several departments as well as gaining skills on presenting to audiences.</p> | |

EDUCATION

- | | | |
|---------------------|---|-----------|
| Sep 2017 — Jun 2021 | BSc (Hons.) Computer Information Systems, Bangor University | Bangor |
| | <p>I developed my organisational and time management skills as well as gaining experience with working with a variety of people from different backgrounds and communicating/working with external clients, such as the NHS. Taking a gap year in 2019-20, I will be graduating in 2021 with a predicted upper second-class degree.</p> <ul style="list-style-type: none">• Programming (Java, Python & C#)• Web Development (HTML, CSS & Javascript)• System Administration (UNIX)• Databases (MySQL)• IT within Businesses• Games Development (Unity)• 3D Modelling (Blender) | |
