

Matthew Jones

A highly motivated individual with strong communication and collaboration skills seeking a graduate software development role to build upon a proven academic and extra-curricular record.

Academic Experience

Bachelor of Science: Computer Science

2018 to 2021

Bangor University; predicted First Class with Honours

Year 2 - 80%

Year 1 - 85%

Dissertation Project: Automatic Segmentation of the Diaphragm within CT Scans using Python

Employment Experience

Pixelbox Arcade (Software Development)

07/2020 to 08/2020

<https://pixelboxarcade.com/>

- Designed, built and deployed a custom piece of software to aid the business in regulating stock and orders.
- Required good communication and organisation.

Canal & River Trust (Volunteer)

08/2016 to 09/2016

Canal & River Trust Red Bull office, Stoke-on-Trent

- Two weeks volunteering as part of the National Citizenship Service (NCS).
- Designed and landscaped a garden for the local community within a group of 11.
- Required strong communication, organisation and team skills.

IT Technician (Work Experience)

06/2014 to 07/2014

St Joseph's College, Stoke-on-Trent

- One week working in my high school IT department.
- Various responsibilities, ranging from providing technical maintenance to supporting classes and researching and ordering resources and hardware.
- Required strong independent working and communication skills.

Young Leader

2011 to 2012

Hartshill Scout group, Stoke-on-Trent

- Planned, supported and led activities within weekly meetings and while away camping.
- Improved team skills, confidence working with younger people and exchanging knowledge.

Extra-Curricular Achievements

- **Programming Project Portfolio:** I have a passion for programming and Computer Science in general. In my spare time I enjoy creating software, some of which can be found in my GitHub repository (**Operationally used:** Pixelbox Stock System, Arcade XML Games List Updater. **Personal projects:** Pac-Man, Sudoku and a port of Chess with a self-created GUI); <https://github.com/matthewjones089>.
- **University Committee (3 years):** Two years as Treasurer responsible for budgeting for the University Poker Society, managing memberships, procuring prizes, equipment, etc.. In my first year, while I was Vice President, the society was voted most improved society by the Student Union.
